

OSHEEN

The New England Guru

Osheen, New England's own veteran DJ and producer, is a powerhouse in the pop culture and electronica house music scene. With a career that began in the early 1980s, he has electrified dance floors across local clubs and rave events in the Northeast. When the rave phenomenon surged in the early 1990s, Osheen harnessed his unique skills and signature sound to connect with audiences nationwide, quickly earning a reputation as one of the premier underground house DJs in the U.S.

With over 300 records released and more than 5,000 live events under his belt, Osheen's journey is a testament to his passion and dedication to the craft. His talent as a DJ opened the door to a new creative chapter—the creation of his own music and record label, Blinded Records. As a remixer and producer, he has numerous remix and original releases on both major and independent record labels, continually pushing the boundaries of the genre.

Osheen's infectious energy and innovative sound make him a sought-after talent on the electronic music scene, inspiring audiences and fellow artists alike.
