DJ 195 is known for delivering high-energy, crowd-driven sets that seamlessly blend Hip-Hop, R&B, Dancehall, Latin, Funk, Soul, House, Rock, Pop, and Top 40, creating a sound that connects with diverse audiences. His ability to read the room and adapt in real time allows him to create memorable experiences across a wide range of settings, from packed nightlife venues to daytime brunches and curated lounge atmospheres.

In addition to live performance, DJ 195 creates custom edits and remixes, allowing him to deliver exclusive versions of tracks that elevate his sets and keep his sound fresh and recognizable. His attention to detail, smooth transitions, and energy control have made him a go-to DJ for promoters and venues seeking someone who understands both music and crowd dynamics.
